Accreditation Certificate No. 168

National Occupational Hygiene Laboratory Safety and Occupational Health Administration, Ministry of Labor, Social Affairs and Social Services

Main site (Main laboratory): 53 Salame St. Tel Aviv 66845 ISRAEL

Valid from: 16.02.2017

Until: 15.02.2019

The organization was assessed by the Israel Laboratory Accreditation Authority (ISRAC) and found to be worthy of accreditation to the detailed schedule attached. The schedule is an integral part of this certificate and is numbered with the above certificate number.

Accreditation demonstrates technical competence and operation of an internationally recognized quality management system. The organization accredited by ISRAC complies with the standards/requirements mentioned above, meets the technical competence requirements and management system requirements that are necessary for it to consistently deliver technically competent results.

This accreditation is granted in accordance with the requirements of ISO/IEC 17011:2004, and entails periodic surveillance and reassessment by ISRAC to ensure that the organization continues to comply with the accreditation requirements.

The accreditation is valid provided that the organization continues to meet the criteria as laid down by ISRAC.

This certificate does not constitute an approval in accordance with article 12 of the standard law.

Date of first accreditation: 16.02.2015
